

Declaration of phone conversation with Jerry at the Greensboro FBI, NC

Prepared around approximately 8PM, May 17, 2018. Finished around May 21, 2018, 11:06PM

I, Brian David Hill, declare pursuant to Title 28 U.S.C. § 1746 and subject to the penalties of perjury, that the foregoing is true and correct:

I write this Declaration in good faith and demonstrating factual witness testimony from what I can remember to the best of my abilities. I am showing good cause for such Declaration.

I called Jerry, a FBI Duty Agent, Greensboro, North Carolina, FBI office around approximately 3:46PM. I was able to talk to him and I told him that “this is Brian” and he asked if it was Hill. I told him yes and then he spoke with me about the stuff I had provided to him about my complaint (*I believe he was referring to my complaint on United States Probation Office Kristy Burton committing perjury*).

He said that he took what I had given him, to his boss, and he said “my boss told me that it was meritless.” I think the way he said it was that he ran it by his boss. I then argued with him that “If I made false statements in court, I would go to prison,” then he interrupted with “I don't want to argue with you.” and continuing on with “this is what my boss said, I can't do anything more” and told me that I cannot (or did not have authority) file a charge against her. He then told me that I can get a lawyer to pursue this.

I then told him that I got WikiLeaks involved, he said “What? What do you mean?” I then said that I “mailed the evidence to WikiLeaks” and “they will be investigating this, Goodbye”, and he said “Goodbye” and the conversation ended at approximately two (2) minutes and seven (7) seconds.

I had attempted to record the phone conversation from the beginning (*since the FBI also records phone calls with those giving criminal tips for investigations*) but that file “(1356).wav” has nothing but white noise and nothing that can be understood which I thought was odd. I had attempted to use audio tools to attempt to recover the phone call recording but none of them panned any results. So I have no recording of the conversation with me and FBI Duty Agent Jerry regarding boss claiming that my complaint was meritless. So I had decided to take what I could remember earlier on May 17, 2018 to write it in this Declaration or note. I made some additional notes and made any corrections for the final revision to this Declaration for May 21, 2018. I had also filed a FOIA request with the FBI on May 18, 2018 through fax # 540-868-4997 and 540-868-4391 concerning this matter because I had wanted answers. I want their answers in writing since phone call recording doesn't seem to work for having a conversation with the FBI office in Greensboro, NC. I felt that it is dereliction of duty what the boss did. I know that if I make a false statement under Oath, I'd be indicted, so what about USPO Burton?

Pursuant to Title 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Executed on May 21, 2018.
